Clues The examination results are only valid for the inspected object. Information on the measurement uncertainty can be requested from the laboratory. The report and documents are kept for ten (10) years. If the Customer does not wish to take back the test objects, Empa shall be entitled to freely dispose of or destroy the test objects one (1) year after completion of its activities. The use of the report for advertising purposes is subject to authorisation (so-called advertising authorisation in accordance with the Advertising with Empa test reports regulation).
